AATI proudly invites you to a webinar

Using FlipGrid in the World Language Classroom
Saturday, August 15, 2020. 11:00 EST

AMERICAN ASSOCIATION of TEACHERS of ITALIAN

Preserving • Advancing • Promoting ITALIAN LANGUAGE & CULTURE

Webinar session description: Technology provides many opportunities for students to engage with the world around them. We will be redefining the language learning classroom using the SAMR model of technology integration. We will more specifically target various modes of communication and other speaking/listening skills using FlipGrid, a free digital platform that works on any electronic device. This presentation will also demonstrate how to raise awareness, join partners, start conversations and change minds through the utilization of technology in the Italian classroom.

What do I need for the webinar? Flipgrid is available as an app (iOS for apple devices:
https://apps.apple.com/us/app/flipgrid/id756972930
and google play for android devices:
https://play.google.com/store/apps/details?id=com.vidku.app.flipgrid&hl=en_US
or online using a web browser at flipgrid.com

At the end of the session attendees will be able to:

- A better understanding of the SAMR model of technology integration and how to incorporate it into your world language classroom for digital or in person learning.
- Understand the various ways that FlipGrid can be utilized in a virtual distance learning setting as well as in person learning for all levels.
- How to set up your FlipGrid account to work seamlessly in your classroom regardless of what that may look like when it opens.
